The Shady Prices Mix-Up

An older man needs a break at the beach one afternoon. He is shocked to see all of the beach umbrellas at each shop and learn about their accessories.

The store owners are Shopkeeper 1, Shopkeeper 2, Shopkeeper 3 and Shopkeeper 4.

Use the clues to match each store owner with their umbrella company, accessory and price.

The price list runs in order from $60 to $85.

Can you work out who has mini refrigerated cooler as their accessory?

Clues

1. Shopkeeper 4 has Golden Lines as their umbrella company.
2. The store owner who has Video game console as their accessory costs more than the store owner who has Raisin' Rays as their umbrella company.
3. Shopkeeper 4 costs less than the store owner who has Dual cooling fans as their accessory.
4. Shopkeeper 4 has Premium Storage panels as their accessory.
5. The store owner who costs $69 is either Shopkeeper 1 or Shopkeeper 3.
6. Shopkeeper 1 does not have Raisin' Rays as their umbrella company, and neither of them costs $75.
7. The store owner who has Umbrellas R Us as their umbrella company does not have Video game console as their accessory, and neither of them costs $75.
8. Shopkeeper 1 does not have mini refrigerated cooler as their accessory, and neither of them costs $69.

The grid

Mark X where two things cannot go together and O where they do. One O in a row means the rest of that row is X.
